

BUILD YOUR OWN SCRUM

20 MIN

Build the Scrum workflow as a team at your table. When you're done, you'll present it to the rest of the class together.

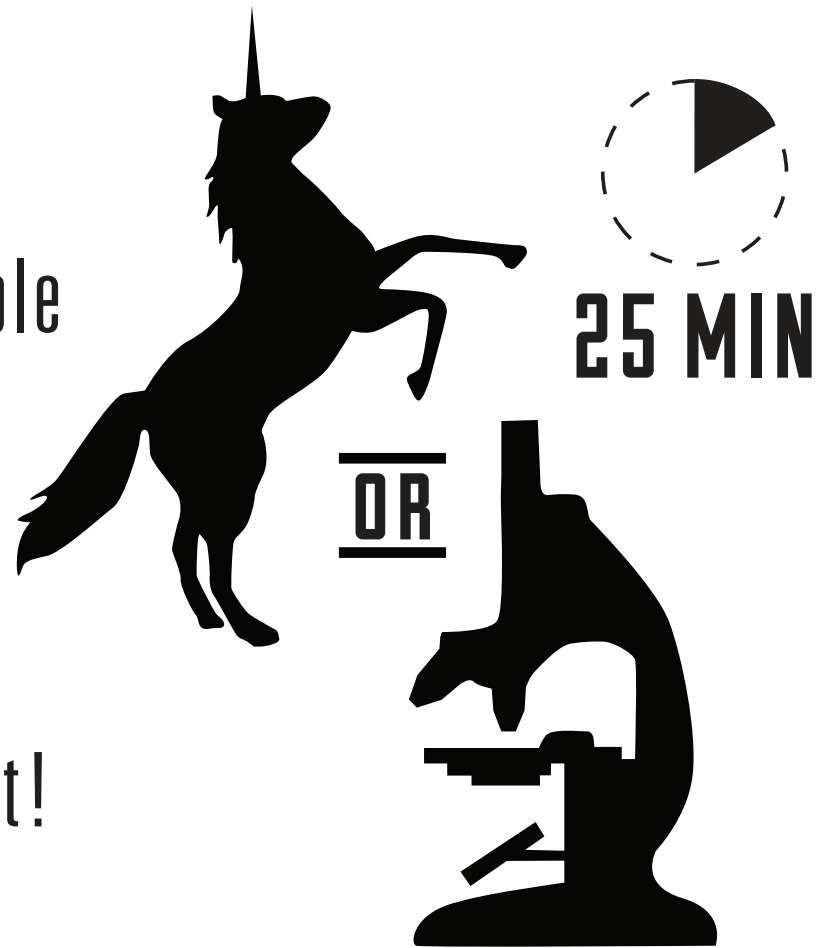

This image shows a full page of blank, lined paper. It features approximately 20 evenly spaced horizontal grey lines across its entire width, providing a guide for handwriting or typing. The paper itself is a clean, off-white color.

MEETINGS MYTH OR FACT

Visit each of the meeting myth or fact stations with your team.

Answer the questions at each table together and write the answers down in your workbook. When you're ready, rotate to the next station with your team and repeat!
